Fall 2010 Group Classes

Scribblers (Ages 4-6)

Classes for Scribblers provide preschoolers with a fun environment to develop their creative and pre-literacy skills. Each class has a general theme and each day kids learn through sensory activities, stories, social interaction and related art activities. Each semester culminates in the creation of a bound book that children write and illustrate themselves.

▶ ABC's (Letters A-L) (26-week session)

Children will explore the shapes and sounds of letters through books, songs and games. Children will create a book with each letter of the alphabet and words that begin with that letter. Proper letter formation will also be taught using daily exercises. Cost: \$600, \$40 materials fee.

▶ Great Books (11-week session)

Highlighting one "great picture book" each week, this class will use art and dramatic play as inspiration for students' very own creative expression. Watch your child's enthusiasm for books and storytelling grow! Cost: \$495, \$40 materials fee.

Registration Policies

1. Refunds will be given for students who withdraw prior to the first day of class. Store credit will be given for students who withdraw on or after the first day of class.
2. 15% discount given for enrollment in a second class or for a sibling enrolled in a class during the same semester.
3. Make-ups may be taken with advance reservation in another class of the same name, subject to availability, or work may be completed independently any Friday between 3:30 and 5:30 with advance reservation.
4. Free trials are available with advance reservation, subject to availability, for new students in the first week of any session only.
5. There will be no classes held from Nov.22-28th.
